MICHAEL HALLORAN, CEO AT NES EXCHANGE (NES) TO SPEAK AT THE SPRING 2008 CORE NATIONAL CONFERENCE

San Jose, CA March 3, 2008 — NES Exchange (NES) today announced that Michael Halloran, CEO will be a featured speaker at The Spring 2008 CORE National Conference taking place March 2-4 at the Luxor Hotel, Las Vegas. Halloran will be a featured speaker during a midday session entitled "Using Like Kind Exchanges to Improve Financial Results, scheduled at 12:00 pm on March 3rd day two of the conference.

"Tax deferred exchanges continue to be an exceedingly important approach for commercial real estate investors to increase their project's overall return on investment," said Michael Halloran, CEO at NES Exchange. "At our session we'll address topics that can improve the utilization of 1031 tax-deferred products for commercial real estate services providers. Members and attendees at the Spring CORE Conference will walk away with strategies and examples that can dramatically improve deal economics, defer capital gains taxes with confidence in full regulatory compliance."

NES Exchange is a Qualified Intermediary providing an industry-leading set of 1031 tax-deferred exchange products for individual investors through major corporations. With sophisticated business processes and controls that meet the requirements of the banking industry, NES provides banks, title, escrow, accounting and real estate companies an extensive array of 1031 tax-deferred exchange products at the highest level of customer service with minimal start-up costs and full regulatory compliance. NES also provides their partners with access to a number of marketing resources provided by NES.

About NES Exchange

NES Exchange (NES – www.nes-exchange.com) is a leading Qualified Intermediary for 1031 tax-deferred exchanges. Since 1990, NES has conducted tens of thousands of successful 1031 exchange transactions across the nation. Today, NES applies advanced technologies to proven business processes to create new standards of customer-driven products and services for 1031 tax-deferred exchanges. NES has been awarded an SAS 70 Type II certification after an extensive audit of its processes and controls and, as a result, is uniquely qualified to serve the needs of companies that must comply with Section 404 of the Sarbanes-Oxley Act.
