Chicago Title Building is the New Home to Nationwide Exchange Services Response to Rapid Company Growth in Tax-Deferred 1031 Exchanges

Chicago, IL--June 26, 2006 - Nationwide Exchange Services (NES), a leading Qualified Intermediary for 1031 tax-deferred exchanges, today announced the relocation of their Chicago offices, located in the magnificent Chicago Title Building. The nearly 6,000 square foot state-of-the-art office space, located at 161 North Clark Street, in the Chicago Loop, will house the growing regional staff of Nationwide Exchange Services. The Chicago office location provides local sales and corporate support to the Midwest and East Coast region and was established as part of the company's ongoing growth plans.

"The incredible expansion that we have experienced in the last several months has necessitated that we expand our offices so that we can oversee our growth and continue to expand our operations," states Scott Nathanson, Senior Vice President of Central Operations at NES. "This new location will enable us to provide more efficiency and service to our employees and customers." Nathanson also points out that this central location will give NES the ability to grow and prosper, ultimately adding numerous employment opportunities to the local workforce.

Nationwide Exchange Services is no stranger to growth. In 2006, the company implemented a successful alliance drawing local and regional banks and title companies such as Cole Taylor Bank, Illini Bank, Illinois Bankers Association, Freedom Title, Prairie Title to name a few. This, along with an expanding customer growth, pushed the company to look for an alternative to their prior address.

"We are just thrilled with this new location," states Nathanson, "And we look forward to making this our residence for many years to come."

Nationwide Exchange Services completes its move into the new building at the end of June. The new address is: Nationwide Exchange Services, 161 North Clark Street, Suite 4900 Chicago, IL 60601. All phone numbers will remain the same 888-NES-1088 or 800-339-1031. You can reach Nationwide Exchange Services online at www.nationwide1031.com
